
After our paper had been published, we realized that we had omitted other authors from the author contributions section—the second paragraph of the Disclosure. The corrected list is shown below with the new material in boldface.

Author contributions to the study and manuscript preparation include the following. Conception and design: all authors. Drafting the article: all authors. Critically revising the article: all authors. Reviewed submitted version of manuscript: all authors. Approved the final version of the manuscript on behalf of all authors: Karandikar.

We are pleased to have the opportunity to make this correction. The error was corrected online as of July 6, 2012.
