Successful treatment of hyperphagia by resection of a hypothalamic hamartoma

Case report

TO THE EDITOR: Thank you for publishing our paper entitled “Successful treatment of hyperphagia by resection of a hypothalamic hamartoma. Case report” (*J Neurosurg Pediatrics*, published online ahead of print, on April 9, 2013; DOI: 10.3171/2013.2.PEDS12552). After our paper had been published online, we realized that one of our affiliations was misnamed and another omitted. The University of Texas Health Science Center at Houston Medical School was mistakenly listed as the University of Texas–Houston; also, Miami Children’s Hospital and the University of Miami Miller School of Medicine were omitted.

The corrected list of authors and affiliations for this paper is shown below:

**YOSHUA ESQUENAZI, M.D.,¹ DAVID I. SANDBERG, M.D.,^{1,2}
AND HAROLD L. REKATE, M.D.³**

¹Departments of Neurosurgery and Pediatric Surgery, The University of Texas Health Science Center at Houston Medical School, Children’s Memorial Hermann Hospital, and Mischer Neuroscience Institute, Houston, Texas; ²Division of Neurosurgery, Miami Children’s Hospital, and Department of Neurosurgery, University of Miami Miller School of Medicine, Miami, Florida; and ³The Chiari Institute, Hofstra Northshore–LIJ College of Medicine, Great Neck, New York

We apologize for any inconvenience the error has caused the readers. We are pleased to have the opportunity to make this correction. The error was corrected online as of April 26, 2013, and appears correctly in print in this issue.
