ERRATUM

A systematic review of clinical outcomes for patients diagnosed with skin cancer spinal metastases

TO THE READERSHIP: An error occurred during production of the paper “A systematic review of clinical outcomes for patients diagnosed with skin cancer spinal metastases” (*J Neurosurg Spine* 24:837–849, 2016; DOI: 10.3171/2015.4.SPINE15239).

We neglected to include relationships to industry that had been reported by two of the coauthors: Charles G. Fisher, MD, MHSc, and Daniel M. Sciubba, MD. The following disclosure information should have been included at the end of the paper:

Disclosures

The authors report the following items. Dr. Fisher consults with NuVasive and Medtronic and also receives royalties from Medtronic. Dr. Sciubba consults with DePuy Synthes Companies, Medtronic, Stryker, and Orthofix International N.V.

We apologize to Drs. Fisher and Sciubba for our error. The disclosure information was added to the online version of the paper as of July 15, 2016.
