

ERRATUM

Bevacizumab and irinotecan therapy in glioblastoma multiforme: a series of 13 cases

TO THE READERSHIP: An error appeared in the article by Ali et al. (Ali SA, McHayleh WM, Ahmad A, et al: Bevacizumab and irinotecan therapy in glioblastoma multiforme: a series of 13 cases. *J Neurosurg* 109:268–272, 2008).

The bevacizumab dosage was given as mg per square meter (m^2). The correct units are mg per kilogram (kg) body weight (mg/kg).

The article has been corrected online as of November 24, 2017.
