ERRATUM

Retrosigmoid approach for glycerin rhizotomy in the treatment of trigeminal neuralgia without overt arterial compression: updated case series

TO THE READERSHIP: An error appeared in the article by Kim et al. (Kim TY, Jackson CM, Xia Y, et al: Retrosigmoid approach for glycerin rhizotomy in the treatment of trigeminal neuralgia without overt arterial compression: updated case series. *J Neurosurg* [epub ahead of print March 8, 2019; DOI: 10.3171/2018.12.JNS182572]).

Due to a production error, the legend for Fig. 1 was not updated in the online ahead-of-print article prior to its publication. The figure appears here with the correct legend.

We apologize to the authors for this oversight. The article has been corrected online as of March 29, 2019.
