Triple motor mapping: transcranial, bipolar, and monopolar mapping for supratentorial glioma resection adjacent to motor pathways

TO THE READERSHIP: An error appeared in the article by Gogos et al. (Gogos AJ, Young JS, Morshed RA, et al. Triple motor mapping: transcranial, bipolar, and monopolar mapping for supratentorial glioma resection adjacent to motor pathways. *J Neurosurg*. Published online June 5, 2020. doi:10.3171/2020.3.JNS193434).

In Fig. 1, panel A1, the twist electrode is mistakenly depicted entering the skull. This has been corrected in the figure shown below.

The article has been corrected online as of November 27, 2020.
