TO THE READERSHIP: An error appeared in the article by Lin et al. (Lin Z, Wang C, Gao Z, et al: Clinical characteristics of and treatment protocol for trapped temporal horn following resection of lateral ventricular trigone meningioma: a single-center experience. *J Neurosurg* [epub ahead of print February 15, 2019; DOI: 10.3171/2018.11.JNS182710]).

In the *Characteristic* column of Table 3, “Mean FU duration (mos)” should have been “Mean FU duration (yrs)”. The updated table is shown below.
