

ERRATUM

Acute postoperative neurological deterioration associated with surgery for ruptured intracranial aneurysm: incidence, predictors, and outcomes

TO THE READERSHIP: An error appeared in the article by Mahaney et al. (Mahaney KB, Todd MM, Bayman EO, et al: Acute postoperative neurological deterioration associated with surgery for ruptured intracranial aneurysm: incidence, predictors, and outcomes. *J Neurosurg* 116:1267–1278, 2012).

Although the IHAST Investigators were mentioned in the author byline, the members of this group who contributed to the study were not named. An *Appendix* has been added to the article to list these collaborators.

The article has been corrected online as of February 7, 2020.

Michael M. Todd, MD
